CHI SIAMO
WHO WE ARE

GSG Ceramic Design è un'azienda italiana che, dal 1977, produce ceramica sanitaria di altissima qualità e design. La nostra filosofia nasce da una combinazione inscindibile di elementi: l'arte della tradizione ceramica, profondamente legata alla storia del territorio di Civita Castellana; la costante ricerca di nuove soluzioni estetiche; l'impiego delle migliori tecnologie e materie prime; l'attenzione concreta alle sfide ambientali del nostro tempo. Un viaggio lungo quasi cinquant'anni, tra tradizione artistica e industria, che oggi si traduce in un perfetto equilibrio tra estetica, qualità, funzionalità e personalizzazione. Per dare forma a un ambiente bagno riconoscibile, elegante e contemporaneo.
